

PRESS RELEASE

NEW LIGHTING AND LIGHTING CONTROLS REPRESENTATIVE FOR THE STATE OF HAWAII

Effective July 31, 2023, Hawaii Lighting Associates (HILA) will be the proud representatives of Acuity Brands for the State of Hawaii. Led locally by Principal, DJ Diamond-Gonzalez and supported by Principals Daniel Cortez and Brian Rhea, the mission of the agency will be multi-faceted to not only bring an enhanced level of service and expertise to the lighting, design, and construction communities of Hawaii, but also to help streamline the significant amount of business that comes from the mainland, by keeping Hawaii business in Hawaii.

In the coming days, we will be making some exciting announcements about the local, Hawaii-based team members who will be joining us, the additional manufacturers we are partnering with, the details of our new office and warehouse facility on Oahu, and much more! Please feel free to follow the journey on our website and social channels listed below!
